Hi everyone,

On Saturday evening of the 17th September, our school choir performed at the Festival Theatre as part of the annual Festival of Music. Once again, I’d like to congratulate the students and choir teachers, Deb Williams and Louise Kates, on their hard work throughout the year and their participation and performance in this year’s production. Deb and Louise had hoped to offer a special ‘encore’ performance tonight in the Community Hall but due to the forecasted storms, we have postponed this until Week 2 next term.

We are hosting two educators from Bago Elementary School in the Philippines as part of our involvement with the AFFLIP program. Gil and Elena will be with us from Monday to Friday of Week 2, so please make them feel welcome. A big thank you to Sue Pace who will host them during their stay.

In Term 4, we start conversations and planning for classes for the following year. If you intend to enrol your child elsewhere in 2017, could you please notify myself or Robyn Holla (Deputy Principal) as soon as possible so we can work with accurate class numbers in our planning for next year.

As the holidays approach, we would like to encourage our local community to keep an eye on our school and surrounds. If you see anything unusual or anyone acting recklessly or dangerously on our school grounds please ring either: Police emergency - 131 444, or Crime Stoppers - 1800 333 000. Hopefully we will see some warmer weather over the holidays! Enjoy your break!

GIRLS
9 ASIDE FOOTY

On Friday the 15th of September Mr Watts and Vanessa took the year 4/5 and year 6/7 girls. We played at St Dominic’s oval for 9 aside. Kaide and Jye volunteered to umpire us. The first thing we did was to set up the tent that we stayed under. We had to wear the Hillcrest Guernsey to represent Hillcrest Primary School. Vanessa took the year 4/5 girls and Mr Watts took the year 6/7 girls. The umpire for the Yr 4/5’s was Jye and the Yr 6/7’s umpire was Kaide. I played in the Yr 6/7 team and we won 1 final after lunch. It was a fun day because we got to meet new people from different schools and we were able to tackle.

BOYS
9 ASIDE FOOTY

Last week some students from room 9, 10 and 12 went to St. Dominic’s Oval to play 9 a side football. I was in the Yr 4/5 team. We played 5 games in the morning and won 3. After lunch we had finals and we played 2 and won 1. It was an awesome day and I had heaps of fun except when I hurt my knee. It was a fun but tiring day after playing so many games of football. I can’t wait to do it again next year.

STUDENT BOOK REVIEW

Laugh Your Head Off
Author: Andy Griffiths and other contributors
Publisher: Macmillan Australia
RRP: $11.99

Laugh Your Head Off is a hilarious new fiction book, bound to become a hit. It is going to form a party in your brain!

It has nine funny short stories that have a mixture of male and female characters. Most are around 12 years old and are about bad things that usually turn good. My favourite story is called Rodent Pie and Toenail Tea, which is about a 12-year-old-girl called Evie.

She decides to work at an old and supposedly disgusting cafe that is near her school. It’s rumoured that the chef working there is completely bonkers, but he isn’t that bad. This book is most certainly the best book I’ve ever read in my life so that is why I have decided to rate it so highly.
