**RESPECT & RESPONSIBILITY    CARE & COMPASSION    HONESTY & TRUSTWORTHINESS**

Hi everyone...

I really can't believe how fast this term has gone! It has been quite a busy one with swimming, aquatics, SAPSASA, STEM workshops, NAPLAN and Reconciliation Week but it seems to have gone extra fast for me.

Teachers are very busy writing the Mid-Year Reports. These are "formative" reports and serve as a progress check on how students are tracking to achieve the relevant curriculum outcomes in each subject area by the end of the year. In relation to this, we have a new teacher working in place of Louise Kates who is on leave for the remainder of the term. Her name is Anne Fisher and she is doing a fantastic job. This term, Louise was also going to start dance with children to complement the Footsteps program. Anne has very recently developed a dance program and is now implementing that with classes which the students are really enjoying. She has a very warm, fair and professional rapport with students and they have responded to her really positively. As it is report writing time, and due to Louise's recent absence, we will be unable to assign an achievement or effort grade in German for the first semester.

We have had two SSOs start late last term and this term – Faisa Osman and Will Baylis — and they are both great additions to our staff team. We also welcome back Jamie Battista after his practicum teaching placement...it's great to have him back on board.

Over the holidays, we are hoping that work will begin on the verandahs on the western side of the STEM building and across the north facing side in the yard (where Room 0 doors are).

Painting in the library is also going ahead in the holidays and then we will be recarpeting. Cathy has done an amazing job redesigning the space to enable easier movement and access to books and we know it will look even better after its new refurbishment.

Kind regards,  
Lissa

# Room 12 English Procedure Writing

This term the year 5's and 6's in Room 12 have been practising procedures by writing instructions and recipes.

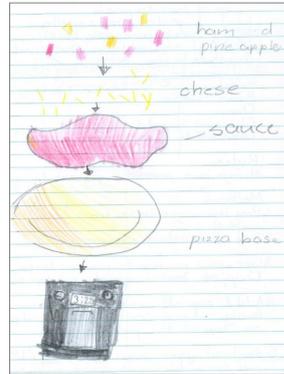

Gracy's Pizza

I like it very much I hope Miss Jardy comes back. It was fun making pizzas.

Yuvraj

It was very cheesy!

# STATE SAPSASA CROSS COUNTRY 2018

Hi. I'm Sarah. On Thursday the 7<sup>th</sup> of June Ruby and I went up to Oakbank Race Course and competed in the SAPSASA State Cross Country event. It was cold, wet and a difficult course. I came 9<sup>th</sup> out of 160 people and Ruby came 6<sup>th</sup> out of 160.

Hi. I'm Ruby. My sister and I competed in the SAPSASA State Cross Country event. This was held on the 7<sup>th</sup> of June. It was freezing cold, wet, slippery and a hard running course. Sarah came 9<sup>th</sup> and I came 6<sup>th</sup>, both out of 160 people. It was amazing and I will never forget it!

*Congratulations Warner girls on your great individual achievements!*

## URGENT NOTICE

### Year 4/5 9 a side football cancellation

Unfortunately due to circumstances out of our control, the Year 4/5 boys & girls football carnival coming up this Friday (22nd June) has been cancelled due to a lack of other schools participating.

We are working on finding an alternative event (likely to be next term) for the year 4/5 boys & girls and we acknowledge that they are deeply disappointed. We also understand that families have been busily getting their children prepared for the games. The \$3 transport fee will be credited to your accounts.

We apologise for the late notice and for any inconvenience this cancellation has caused. Thank you for your understanding. If there are any other issues regarding this event please come and see Mr Grigg.

The Year 6/7 competition will be going ahead as planned.

**CONGRATULATIONS**

#### **GOVERNING COUNCIL NEWS:**

At our recent meeting, once again, concerns were raised about the unsafe driving practices of some parents/carers around our school. We have decided to request support from the parking inspectors at Port Adelaide/Enfield Council so please be mindful of this when dropping off, or collecting your children.

#### **Medication Management and Drugs Policy**

We have recently updated our Medication and Drugs policy. The updated policy is available on our school website. To access this policy, go to the "For Parents" section at the bottom of the page, and click on "Policies and Procedures".

The updated policy includes changes to storage of student medications and student self medication. If you have a child at Hillcrest who requires any sort of medication, including puffers, Epi-Pens or antibiotics, please make sure to read the updated policy when it is available.

Thanks you,  
Callum, First Aid
