AIMING FOR EXCELLENCE

Principal: **Lissa Hutter**  
Deputy Principal: **Robyn Holla**  
Coordinator Intervention: **Lauren Campbell**  
Coordinator STEM: **Simon Watts**

Term 2, Week 10  
5th July, 2018

**RESPECT & RESPONSIBILITY    CARE & COMPASSION    HONESTY & TRUSTWORTHINESS**

Hello everyone...

Holidays are nearly upon us and I hope everyone manages to keep warm and well over the coming break.

Callum has included a calendar in this edition to provide you with the heads up on school events, etc. for Term 3. I draw your attention to our next **Pupil Free Day** in particular, as it is earlier in the term—**Week 3, Wednesday, August 8th**. We have managed to book Stephen Graham to work with staff over two days on the explicit teaching of writing and this was the only date available when we enquired last year. Stephen is highly respected and renowned in this field and we will be focusing on:

- explicitly teaching students how to make word choices appropriate to the text type,
- examining the words that make different texts work and,
- ensuring students' ability to both construct and comprehend different text types.

He will present to teachers and SSOs on Wednesday and then work with them and students on Thursday in small teams and classes.

As the holidays approach, we would like to encourage our local community to keep an eye on our school and surrounds. If you

see anything unusual or anyone acting recklessly or dangerously on our school grounds please ring either:

Police emergency - 131 444 or  
Crime Stoppers - 1800 333 000.

Have a wonderful break!

Cheers, Lissa

### Before School Care

7.00-8.30am

### Out of School Hours Care:

3.05—6.00pm

### Vacation Care:

7.30—6.00pm

available from Monday to Friday

**There are some vacancies available for  
Before school and Vacation care. Please  
contact our Director,  
Paige Henderson, to enquire.  
0403 443 641**

### Diary Dates

**Friday 6th July**

Last Day of Term. Casual Day  
with Gold Coin donation.

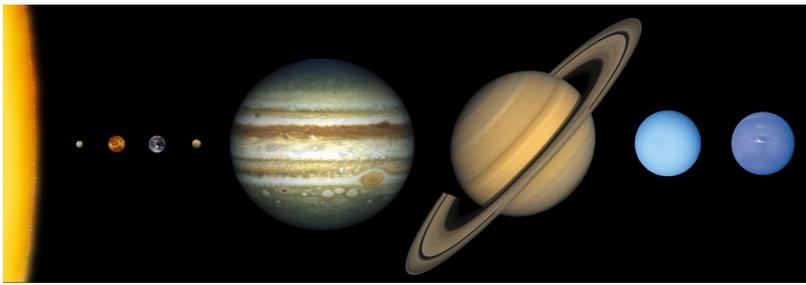

Early Dismissal 2:05PM

**Monday 23rd  
July**

First Day of Term 3

**Government of South Australia**  
Department for Education

# Room 0

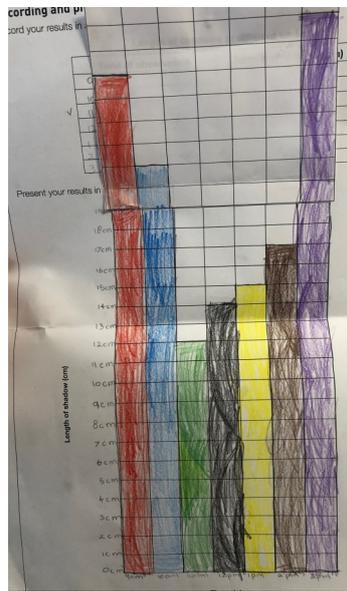

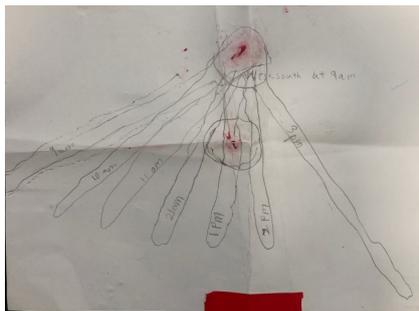

This term Room 0 have been studying space and the weather. We have looked at the relationship between space and time, day and night and the seasons.

We have investigated measurement in relation to distance in our solar system.

**COLLABORATIVE VISUAL ART**

“It was long in the morning. It was short in the afternoon.”  
Tim, Ethan, Scarlett

“The shortest shadow was 11am and the longest at 3pm.”  
“The shadow changed every hour...it got longer and then shorter.”  
Aiden, Shailv, Emma

**INVESTIGTING TIME AND EARTH'S MOVEMENT BY TRACKING SHADOWS**

**COMPARING SIZE AND DISTANCE IN SPACE**

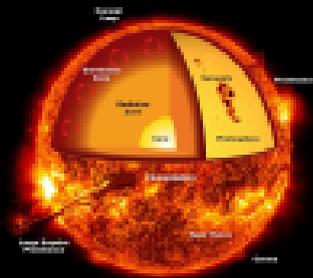

# The solar system

Group  
4

The solar system has 8 planets Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus and Neptune.

The sun has 6 layers.

The sun looks small from Earth because of perspective.

It takes 12 months to orbit the sun.

There are 4 seasons.

We created infographics on Canvas to show what we have learnt in our study of space and weather.

# HILLCREST LIONS & LIONESSES 9 A SIDE FOOTY

On Friday the 22<sup>nd</sup> of June, the year 6/7 boys and girls attended the Crow's Cup, which was held at the St Dominic's Oval in North Adelaide. We arrived there by bus, there were numerous schools who attended the football carnival. Teams consisted of 9 players each.

We all had a look at the program and who we were going up against. We headed to our location on the oval and got ready to play. The boys played 4 games in the qualifying round and won 3 of them while the girls played 5 games and won 3.

After the qualifying rounds we had a lunch break, some volunteers provided a sausage sizzle. After the sausage sizzle we all played in the knockouts and the girls won their game, so did the boys. There is only one game in the knockouts until the winners moved on to the semi-finals. The boys lost in the semi final and played the losers in the other semi. The boys finished 4<sup>th</sup> overall. The girls played for 7<sup>th</sup> place in the Crow's cup which they won.

At the end of the finals, all of the schools gathered to see who won the Crows Cup. Nailsworth Primary School got the cup for the boys. All of the other schools got small awards. For the girls, it was Walkerville who won the cup.. After the presentations we headed back to school.

A big thanks to Ashlee to coming to support us on the day – we had a ball...literally!

Aditya, Nadia, Jay and Taite from Room11

## Casual Day Friday!

Gold coin donation.

**Early Dismissal this Friday!**

**2:05pm**
